

**Department of Public Safety COVID-19 Update for 1/14/21:**  
**Inmate and Staff Testing Continues**

The Halawa Correctional Facility (HCF) reports 12 new staff test results. Of that total, 1 was positive and 11 were negative. Additionally, two (2) more staff have recovered, leaving just 12 active positive staff. There were no new inmate test results. There are six (6) hospitalized HCF inmates. The Oahu Community Correctional Center (OCCC) reports 65 inmate results, 63 of which were negative and 2 inconclusive. Additionally, one (1) inmate, who tested positive prior to entry, has been admitted straight into medical isolation at OCCC. For more information on PSD's planning and response efforts to COVID-19:
