

**Department of Public Safety COVID-19 Update for 1/15/21:**  
**Inmate and Staff Testing Continues**

The Halawa Correctional Facility (HCF) reports two (2) inmate results were negative and 37 more inmates have recovered. That drops the total active cases to 73 and increases total recoveries to 470. There are six (6) hospitalized HCF inmates. The Oahu Community Correctional Center (OCCC) reports 24 negative inmate results. There was also one (1) OCCC staff recovery.
