

Department of Public Safety COVID-19 update for 10/14/20: Statewide Broad-based testing continues for jail and prison facilities.

PSD's Health Care Division is working with DOH, the Hawaii National Guard (HING) and community partners, to conduct mass testing for COVID-19 at all correctional facilities statewide. The Kauai Community Correctional Center (KCCC) has begun their inmate testing this week.

The DOH testing of OCCC inmates is continuous. No new inmate or staff results were received today. There are no inmates hospitalized. Over 95% of the OCCC inmates who had positive COVID cases have recovered. The total number of PSD staff who have recovered and returned to work is just over 83%. Information on PSD's planning and response to COVID-19 can be found at: <http://dps.hawaii.gov/blog/2020/03/17/coronavirus-covid-19-information-and-resources/>.
