

Department of Public Safety COVID-19 Update for 2/12/21:
Statewide Inmate Testing Continues

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports one (1) negative inmate test result as part of mass testing efforts underway at the facility. The total positive inmate cases remain unchanged at 20. No MCCC staff have reported having COVID-19. Halawa Correctional Facility (HCF) reports ten (10) negative staff results. HCF is clear of all active inmate cases. The O'ahu Community Correctional Center reports four (4) negative inmate test results and 11 negative staff results.
