

Department of Public Safety COVID-19 Update for 3/18/21

Statewide Inmate Testing Continues

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports two (2) more inmate recoveries. That drops the total active positive inmate count to 12 and increases the recovered cases to 74. No MCCC inmates have required hospitalization due to COVID-19. There were also 18 negative staff results reported today. Although all other facility inmate populations are clear of the virus, mass testing continues with DOH assistance. The Oahu Community Correctional Center reported 15 negative inmate results.
