

## **Department of Public Safety COVID-19 Update for 4/1/21**

### **Statewide Inmate Testing Continues**

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports seven (7) negative inmate test results. The total active inmate cases remain unchanged at five (5). There are no MCCC inmates in the hospital. The O'ahu Community Correctional Center reports 21 negative inmate test result and Halawa Correctional Facility reports one (1) negative inmate test results.
