

Department of Public Safety COVID-19 Update for 4/26/21

Previous WCCC Inmate Result Confirmed False Positive, Statewide Inmate Testing Continues

COVID-19 testing is continuously being conducted statewide at all facilities. There are no positive inmates at WCCC. The previously reported positive inmate result at the Women's Community Correctional Center (WCCC) was confirmed, through follow up testing, to be a false positive.

The Hawaii Community Correctional Center (HCCC) reports three (3) negative inmate test results and four (4) negative staff test results. The facility is clear of active COVID-19 cases as the two (2) HCCC staff who were out due to COVID have recovered and were medically cleared to return to work. There were 30 negative inmate test results received for the O'ahu Community Correctional Center, and two (2) negative inmate test result for the Maui Community Correctional Center.
