

Department of Public Safety COVID-19 Update for 5/11/21

Inmate Testing Continues Statewide

COVID-19 testing is continuously being conducted statewide at all facilities. There are currently no confirmed active COVID-19 cases in the inmate population. The two (2) Maui Community Correctional Center (MCCC) staff who have been out due to COVID have recovered and returned to work. The facility is clear of all COVID cases. MCCC reports an additional 12 negative inmate test results.

The rest of the negative inmate test results received for other correctional facilities are as follows:

O'ahu Community Correctional Center - 34 negative inmate test results

Halawa Correctional Facility – 18 negative inmate test results

Hawaii Community Correctional Center – 13 negative inmate test results

Waiawa Correctional Facility – 5 negative inmate test results.

Women's Community Correctional Center – 2 negative inmate test results

Kulani Correctional Facility – 1 negative inmate test result
