DEPARTMENT OF PUBLIC SAFETY COVID-19 UPDATE FOR 8/26/20

HONOLULU – Two (2) additional Oahu Community Correctional Center (OCCC) inmates and 1 adult corrections officer (ACO) tested positive for COVID-19.

PSD received 7 more inmate test results. Of the 7 results reported, 2 were positive and 5 were negative. The Department of Public Safety (PSD) coordinated with the Department of Health (DOH) to conduct mass testing of all OCCC inmates in each of the 19 individual housing units there. The initial round of mass testing was completed on 8/20/20. DOH will continue conducting follow up testing in the coming weeks on all inmates requiring it at OCCC. The facility was notified of positive test results for 1 OCCC staff.

- Professional deep-cleaning/sanitization services are underway in order to address several housing units. Annex 1 sanitation was completed on Tuesday 8/25/20, and all units that housed tested positive inmates will be addressed through this process. This

necessary measure is for the safety and well-being of staff and inmates alike and will be an ongoing process as needed.

- The inmate releases directed through the Hawaii Supreme Court (HSC) orders are ongoing. The list of names/criminal case numbers for 37 defendants released 8/25/20, per HSC court order, is attached. The HSC order requires that PSD provide a list of all inmates released under the order no later than the next day following the release.
- All transports to court from all Oahu facilities are suspended through Friday, August 28. Video hearings will still be accommodated to the extent possible and as legally permissible. PSD is in constant contact with the Judiciary to assure the safety of all staff and inmates involved.

PSD will continue to closely monitor the spread of COVID-19 and make additional operational and preventative decisions as the situation evolves.
