HONOLULU – The Hawaii Community Correctional Center (HCCC) reports 70 inmate test results. Of that number 40 were positive and 30 were negative. That brings the total active positive inmate cases at HCCC to 119. There were also 33 staff results received. One was positive and 32 were negative. The number of hospitalized staff remains unchanged at two. One HCCC staff member has recovered and was medically cleared to return to full duty. Active positive staff cases now total seven.
