### **DEPARTMENT OF PUBLIC SAFETY COVID-19 UPDATE**

HONOLULU – The Hawaii Community Correctional Center (HCCC) reports 26 negative inmate test results and nine negative staff test results. There were 16 more inmate recoveries bringing the total active positive inmate cases down to 53 and increasing the total recoveries to 183. Staff cases remain unchanged at six. The Halawa Correctional Facility reports one positive staff case. The employee last worked on June 16.

COVID-19 testing is continuously being conducted statewide at all facilities. The latest inmate testing results received for other facilities are as follows:

Oahu Community Correctional Center – 16 negative inmate test results

Halawa Correctional Facility – 6 negative inmate test results

Kauai Community Correctional Center – 4 negative inmate test results

PSD continues to encourage all staff and inmates to voluntarily get tested and receive the COVID vaccination. For more information on PSD's planning and response to COVID-19, inmate testing data, and information detailing the efforts made to safeguard the inmates, staff and public, visit our webpage at: <http://dps.hawaii.gov/blog/2020/03/17/coronavirus-covid-19-information-and-resources/>.
