DEPARTMENT OF PUBLIC SAFETY COVID-19 UPDATE

HONOLULU – The Hawaii Community Correctional Center (HCCC) reports two inmate test results received as part of the mass testing effort underway at the facility. One was negative and one was inconclusive and will be re-tested. The total positive inmate cases at the facility remain unchanged at 99. Three HCCC staff members have recovered and were medically cleared to return to full duty, effective today. Total active staff cases are now down to 10.

COVID-19 testing is continuously being conducted statewide at all facilities. The inmate test results received at other facilities are as follows:

Oahu Community Correctional Center – 27 negative inmate test results
Women's Community Correctional Center – 1 negative inmate test result
Maui Community Correctional Center – 1 negative inmate test result
Halawa Correctional Facility – 1 negative inmate test result

The Department of Public Safety (PSD) continues to encourage all staff and inmates to voluntarily get tested and receive the COVID vaccination. For more information on PSD's planning and response to COVID-19, inmate testing data, and information detailing the efforts made to safeguard the inmates, staff and public, visit our webpage at: <http://dps.hawaii.gov/blog/2020/03/17/coronavirus-covid-19-information-and-resources/>.
