## Emergency Preparedness and Response

# Coronavirus Disease 2019 (COVID-19) Update—What Clinicians Need to Know to Prepare for COVID-19 in the United States

Date: Thursday, March 5, 2020

Time: 2:00–3:00 P.M. (Eastern Time)

### Overview

During this COCA Call, clinicians will learn what they can do to prepare for COVID-19 including identifying persons under investigation, applying infection prevention and control measures, assessing risks for exposures, optimizing the use of personal protective equipment supplies, and managing and caring for patients (inpatient and at home).
