**Subject:** Fwd: [EXTERNAL] Practical Correctional Considerations in Response to COVID-19  
**Date:** Sunday, March 29, 2020 10:14:50 AM

---

This webinar intends to provide practical information in relation to the Pandemic Response Plan and the recently published CDC guidance for corrections. If at all possible, please send out to facility administrators. It could be helpful.

Gavin K. Takenaka, Psy.D.

## Practical Correctional Considerations in Response to COVID-19 – Segment I (20P3361)

April 1, 2020 / 10am PT / 11am MT / 12pm CT / 1pm ET

### Webinar Summary

Are you feeling inundated with COVID-19 information? Are you uncertain about practical contingencies for assessing staff or new admissions? Or about developing contingencies for quarantining suspected or presumptive COVID-19 cases? How are you safeguarding PPE supplies to make certain they are utilized appropriately?

### webinar attendee

Here's your opportunity to learn and ask questions regarding the CDC's new *Interim Guidance on Management of Coronavirus Disease 2019 in Correctional and Detention Facilities*, designed to assist in preparing for potential introduction, spread and mitigation of COVID-19.

### Presenter

- **Liesl Hagan, MPH**, Epidemiologist, Community Interventions Task Force – Correctional Health, Centers for Disease Control and Prevention

### Target Audience

Any healthcare or non-healthcare administrator of federal, state or local correctional jurisdiction and law enforcement agencies that have custodial authority for detained

populations.

### Registration

Follow this link <https://nicmeetings.webex.com/nicmeetings/onstage/g.php?MTID=ef1d6de45030f1f2003ba122c6af5d539> to NIC's Webex Event Center and click on **Register**.

### For More Information

Content contact: Anita E. Grant, CAPT, USPHS, Corrections Health Manager, NIC - [APollard@bop.gov](mailto:APollard@bop.gov)

Webinar technical contact: Leslie LeMaster – Correctional Program Specialist, NIC Academy Division - [llemaster@bop.gov](mailto:llemaster@bop.gov)

### How Do I Participate Effectively In a WebEx Event Center Webinar? How Do I Get Ready?

You need a hands-free telephone, headset / earbuds, and an internet-enabled computer. For optimum learning, be in a quiet place, free from distractions / interruptions, sight and sound separated from others, where you can concentrate on what is happening during the webinar. A separate office space with a door to close is an ideal setting. Connect to the audio bridge so your hands are free to interact with your keyboard. Test your system compatibility prior to the webinar session here <http://www.webex.com/test-meeting.html>. If you encounter difficulty accessing the test link, contact Webex Technical Support at 1-877-669-1782 and tell them you will be attending an NIC web based session on NIC's Webex site at <http://nicmeetings.webex.com>. NIC strongly recommends consulting with your agency / local IT, as you may encounter agency pop-up blocking and/or firewall issues that block the NIC Webex webinar url and your ability to connect to sessions.

NIC WebEx webinars sessions are not compatible with smartphones. NIC recommends you connect to sessions on a desktop computer, laptop, or a tablet computer.
