It is also the responsibility of the Inmate to notify his visitors of their approval or denial. Requests for visits will be denied if an Inmate has received a disciplinary action(s) within 30 days of the requested visit and or due to the security needs of the facility. No exceptions. **Visitors will need to schedule the visit 7 days prior to the visit. Days to schedule will be on Monday or Tuesday. Visitors and Inmates will be required to wear masks at all times while in visitation.**

For Inmates in general population and Hotel Charlie, if your visitors are traveling within 300 miles of the facility, you may choose to visit either in the morning hours or the afternoon hours on each day of visits. If your visitors are traveling 300 miles or more, you may submit a request for a special visit of extended time 15 days prior to the visit. Extended time means you will be allowed to visit from 0800 to 1600 hours however you must be specific and write down the exact days of the visit on your request (i.e. Friday, Saturday, Sunday, Monday). Failure to do so may result in shorter visit times. Special visits will be allowed only under special extraordinary circumstances (i.e. military deployment, holidays, etc.) on Wednesdays, Thursdays and Fridays. These special visits shall be reviewed and approved 15 days prior to the visit on a case-by-case basis by the facility's administration. Upon approval by the facility staff, the inmate will receive the written approval of the special visit. Special Visits will only be granted once every thirty days. Family members and loved ones are welcome to call the Hawaii Department of Public Safety Mainland/FDC Branch to submit their flight arrangements however, it is still the inmate's responsibility to first submit a visit request through the proper chain of command. All Idaho visitation request will go through the Idaho department of corrections.

Our Hotel Charlie population will have visits in the non-contact visiting area. Although it is called non-contact, this population will receive contact visits, they will just take place in the non-contact visiting area.

On Tuesdays, SHIP I/Segregation Inmates are authorized a one (1) hour non-contact visit per month. SHIP II is authorized two 2-hour contact visits per month. SHIP III is authorized four 2-hour contact visits per month. Video visits for SHIP and Segregation will count towards the allotted times. The Chief of Security of higher will evaluate the status of visits in the Segregation area. This is based on whether or not an inmate has been a threat to the Safety and Security of the Facility.

SHIP I/Segregation will take place in the non-contact visiting area. In this area, inmates and visitors are separated by glass windows, and all communication between visitors and inmates is conducted by telephone only. Violation of regulations or inappropriate conduct while on Facility property may result in termination of your visitation privileges.

APPROVAL / DENIAL PROCESS:

VISITATION RULES AND PROCEDURES

The Inmate submits a visiting list with the full name, address, phone number, SSN# and date of birth to his respected Correctional Counselor / Case Manager, the Unit staff will then verify if the Inmate has prior approval for the submitted names. Once the Unit team has completed their verification, they will forward the list to the security office where it will be sent to the Hawaii DPS for an NCIC check. Hawaii DPS will send the results back to the Security Office and the Chief of Security will determine if the visitor is approved or denied. The visitation officer's will add all visiting lists to the inmate's electronic file; the inmate may request a copy of the completed list from their Correctional Counselor or Case Manager. The cost is .10 cents per copy (release of funds forwarded to the business office for the amount, prior to receiving the copy/s of the list). Idaho Department of Corrections inmates will submit their list to IDOC for verification and approval.

To add, edit, or otherwise alter your approved visitor list, the following steps must be followed:

1. See your Case Manager or Correctional Counselor to obtain a Saguaro Correctional Center – Inmate Visitation List form.
2. Completely and correctly fill out the form and return it to your Case Manager for verification.
3. Your Case Manager will forward the completed form to the Operations Office. At this time, the form will be reviewed and emailed to Hawaii DPS for the purpose of obtaining a background investigation. To complete a background investigation, all adult visitors must provide their social security number. If the visitor list does not contain this information, it will be returned to you as incomplete.
4. Upon completion of the background investigation by HDPS (which can routinely take 2-4 weeks), your visitor list will be updated in OMS and a signed copy of your visitor list will be returned to you.
5. Advise all potential visitors to refrain from making any travel arrangements (purchasing plane tickets, reserving hotel room, etc.) until after you receive a copy of your visitor list indicating which visitors are approved/denied.
6. Keep in mind that the maximum amount of approved visitors on your list at any given time cannot exceed 10, or the entire list will be placed on suspended status until it is brought into compliance.
