MISSING MCCC PRE-TRIAL DETAINEE TROY DIEGO ARRESTED

WAILUKU – Maui Police confirm that Troy Diego was arrested at 2 p.m. He is the second of two pre-trial detainees who escaped from the Maui Community Correctional Center yesterday. The other inmate, Barret Paman, turned himself in to Maui Police, shortly after 3 p.m. yesterday. We want to extend our thanks to the Maui Police for their hard work bringing both men back into custody.

It is believed 30-year old Troy Diego and 31-year old Barret Paman left the facility around 2:30 a.m. Sunday morning. That's when staff noticed a broken door in the back of their dorm building. A lock-down was ordered, and a subsequent headcount confirmed they were missing. Correctional staff searched the perimeter and found clothing in the razor wire at the top of the north-facing perimeter fence. Once confirmed that they were not on the grounds, Maui Police were immediately notified. The lock-down was lifted just before 3:20 a.m.

Diego is awaiting trial for Theft, Unauthorized Entry into a Motor Vehicle and Failure to Appear. Paman is awaiting trial for charges of Burglary, Theft, Carrying a Firearm on a Public Highway and Place to Keep a Firearm. Both men now face an added escape charge.
