

## 2023-2024 PRESCRIBER EDUCATION ATTESTATION

For NED Use Only

REG:

Registrant Name: \_\_\_\_\_

NED Registration Number or "NEW": \_\_\_\_\_

**Requirement:** On an annual basis, prescribers are required to review educational materials that focus on best prescribing practices and compliance with federal and state regulations as designated by the Narcotics Enforcement Division Administrator to obtain or maintain their controlled substance registration.

### 1. Review Educational Material.

The educational requirement for 2023-2024 is to review and consider [the 2022 CDC recommendations and guiding principles for opioid pain management](#).

(Citation: <https://www.cdc.gov/opioids/healthcare-professionals/prescribing/guideline/recommendations-principles.html>)

### 2. Answer the Following Questions:

**Recommendation:** Before starting and periodically during continuation of opioid therapy, clinicians should evaluate risk for opioid-related harms and discuss risk with patients.

2A. Does Hawaii have an opioid informed consent requirement?

YES       NO

2B. Are ALL controlled substance prescribers required to have an opioid informed consent policy on file, whether or not they prescribe opioids?

YES       NO

(Hint: Refer to Hawaii Revised Statute [329-38.5](#))
