1.0 PURPOSE

The purpose of this policy is to outline the Department of Corrections and Rehabilitation (“DCR”) approach to ensure compliance with the Prison Rape Elimination Act (“PREA”) of 2003, through the application of a zero-tolerance policy toward all forms of sexual abuse, sexual harassment, and retaliation for reporting incidents in prisons, jails, lockups, and community correctional centers.

2.0 RATIONALE

The policy’s rationale is DCR has a proactive approach to preventing, detecting, and responding to sexual abuse and sexual harassment, while an offender is under the legal and physical custody of DCR, inclusive of requiring compliance with PREA at privately contracted facilities or community correctional centers. The PREA Standards do not create a legal cause of action. The PREA Standards are guidelines or practices developed to prevent, reduce, eliminate, and investigate sexual abuse and/or sexual harassment; and to provide treatment to victims and prosecute violators, who commit sexual abuse and/or sexual harassment against an offender.

3.0 SCOPE

This policy is applicable to all DCR staff, contractors, and volunteers, who have contact with offenders, detainees, or residents. This policy applies to all prisons, jails, lockups, private contracted facilities, and community correctional centers under the direct custody and control of DCR.

4.0 REFERENCES

Blessing v. Freestone, 520 U.S. 329, 340-341 (1997). Holding that PREA did not create a federal right and for a particular statutory provision to give rise to a federal right, Congress must have intended that provision to benefit plaintiff, the right that is claimed to be protected by statute must not be so vague that its enforcement would strain judicial competence, and the statute must unambiguously impose a binding obligation on states.

The definition of an adult is a person eighteen (18) years or older (HRS §571-23).

- .2 PREA’s definition of a youthful offender differs from the HRS §706-667 definition. PREA defines a *youthful offender* as any person under the age of eighteen (18), who is under adult court supervision, incarcerated, or detained in a prison or jail. A *youthful detainee* is any person under the age of eighteen (18), who is under adult court supervision and detained in a lockup.
- .3 DCR does not normally manage youthful offenders/detainees as defined by PREA; however, it is important to note that specialized requirements would apply to the housing of a youthful offender/detainee in a DCR facility.
- .4 According to HRS §571-22, the Family Court may relinquish its jurisdiction over a youthful offender and transfer the case to a Court of criminal jurisdiction for prosecution of the juvenile offender as an adult.
- .5 If DCR does receive a youthful offender as defined by PREA, described in paragraph (2) of this section, then the youthful offender shall not be housed in a housing unit in which the youthful offender shall have sight, sound, and physical contact with any adult offender using a shared dayroom or other common space, shower area, or sleeping quarters. The facility staff shall document by utilizing the PREA Mandated Reporting Form (DCR 8317) any non-compliance with the above requirement. This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.
- .6 DCR staff shall maintain sight, sound, and physical separation between the youthful offenders and adult offenders in areas outside of the housing units, or shall provide direct staff supervision, when youthful offenders and adult offenders have sight, sound, and physical contact. (115.14 b) The facility staff shall document by utilizing the PREA Mandated Reporting Form (DCR 8317) any non-compliance with the above requirement. This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.
- .7 DCR shall document the exigent circumstances for each instance in which a youthful offender’s access to large-muscle exercise, legally required educational services, other programs, and work opportunities are denied in order to separate them from adult offenders by utilizing the PREA Mandated Reporting Form

(DCR 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days. (115.14 c)

- .8 DCR shall make its best efforts to avoid placing youthful offenders in isolation to comply with this provision.

11.0 LIMITS TO CROSS-GENDER VIEWING AND SEARCHES

- .1 DCR staff shall not conduct cross-gender strip searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening), except in exigent circumstances, or when performed by medical practitioners. (115.15 a) (COR.08.13).

An incident of cross-gender strip searches and cross-gender visual body cavity searches shall be documented by utilizing the PREA Mandated Reporting Form (DCR 8317). This form shall be forwarded to the Department PREA Coordinator via email, fax, or mail within three (3) days.

- .2 DCR staff shall not conduct cross-gender pat-down searches of female offenders, absent exigent circumstances. (115.15 b)
