	<p><b>VI. <u>Legislative Updates</u></b></p> <p><i>DISCUSSION/CONCERN(S)</i></p> <ul style="list-style-type: none"> <li>Mrs. Ferguson-Brey (ED-CVCC) said that there are 3 SAVIN bills from last year. HB 2746 would have been the death of the SAVIN program. SAVIN was made with a special fund for victim services. The funds are only to be touched for victim services. Mr. Dunn (Community Member) stated that the main concern is that these bills can come up again. The legislators do not get it and there needs to be as many people as possible to chime in on these issues.</li> <li>Mrs. Ferguson-Brey (ED-CVCC) stated that Tommy Johnson (DCR) is the best advocate we have because he was part of creating SAVIN. Even hiring new people will be hard with no sustainable base or budget cuts. Ms. Ferguson-Brey encourages all Committee members to be constantly vigilant as new bills come out.</li> <li>Ms. Mercado (HSCADV) stated that the ACLU worked with the Worth Rises program. Worth Rises is a non-profit advocacy organization dedicated to dismantling the prison industry and ending the exploitation. There has been reported talk from the community about reforming the prison system. Victim rights need to be protected and these issues will not go away.</li> <li>Mrs. Ferguson-Brey (ED-CVCC) stated expungement bills will erase a lot of different offenses. Ms. Mercado (HSCADV) stated HB 1663 and SB 2706 bills didn't take into consideration if defendants aren't currently on trial. Ms. Matsuoka (SATC) stated that it doesn't take into consideration how long trials take. They are trying to carve out certain exceptions and expungements will happen. Mrs. Ferguson-Brey (ED-CVCC) stated that the bill does not have victims in it and victim's voices need to be heard. HB 1663 has nothing about victims at all. We want to educate our community so we can stand up and draw the line. Mr. Dunn (Community Member) said that we need to get involved in educating our legislators. We don't want to miss certain offenses or expunge dangerous people.</li> <li>Ms. Albano (Hon VWKS) asked, what do we do? Just like victims are scared, we are scared too. We need guidance because this is all new to us. Mrs. Ferguson Brey (ED-CVCC) responded and said that Victim Witness has the stories of victims, something we don't have. They have victims' testimonies. Ms. Matsuoka (SATC) stated that Victim Witness has all the facts about the victim. They know the plea agreements and will know if a case falls into automatic expungement. Registration for sexual assault offenders are only on the list for 7</li> </ul>

	<p>years.</p> <ul style="list-style-type: none"> <li>Ms. Benevides (Hawai'i VWP) asked if they should connect with each other and have their testimonies ready when bills come out. Ms. Mercado (HSCADV) responded that on a coalition level, they are trying to communicate. She stated, "We need all of you to be connected. Programs want advocacy training and legislators want data. We don't want victims to be revictimized. We want victims' testimonies."</li> <li>Ms. Matsuoka (SATC) stated that testimony can be requested within 24 hours. To expedite the process, it would be helpful for supporters to provide notes, templates, and stories to quickly develop testimony. Ms. Benevides (Hawai'i VWP) indicated that they were uncertain how crime victims would feel about this, even if their names are not included. Mr. Dunn (Community Member) stated that this needs to be done in a way that is not revictimizing. There needs to be a systematic way of communicating this message to victims delicately to get them involved. He also stated, "Some of the most powerful testimony is from victims and their families. We need to develop some type of victim forum so we can have ongoing connections with victims so we can be prepared."</li> <li>Ms. Benevides (Hawai'i VWP) said that on Hawai'i Island there are very passionate advocates. Unfortunately, their ability not to over-share can be a deterrent to the process. Mr. Logan (Chief HPD) asked if they have thought about going to the media. Sometimes the public has no idea these things are going on.</li> </ul>
	<p><b>VII. <u>Other Business</u></b>  <i>DISCUSSION/CONCERN(S)</i>  SGC Membership &amp; Expirations:</p> <ul style="list-style-type: none"> <li>Mrs. Ferguson-Brey stated to the group that it is time for reappointments for most of the committee and reminded the group that per statute, the Director of DCR appoints the committee based on a list that the committee provides. A list of nominated members was presented to the committee for review and vote. There being no objections, the vote was unanimous, and the list will be forwarded to the Director for the official appointment letters.</li> </ul> <p><b>ACTION PLAN</b></p> <ul style="list-style-type: none"> <li>Ms. Dydasco (DCR-SAVIN Coordinator) to submit the confirmed member list to the Director for distribution of official letters of appointment.</li> </ul>
