.2 Definitions

- a. **Adjustment Hearings Officer:** A staff member who is not biased against the inmate/detainee, and who will ensure that impartial and professional hearings are conducted in a manner that recognizes the importance of due process. In serious misconducts this person is identified as the adjustment hearings officer, and in minor misconducts this person is identified as hearings officer.
- b. **Administrative Segregation:** Inmates may be segregated on a temporary basis from the general inmate population on the order of a watch commander or higher authority, when their continued presence in general population presents an immediate threat to the safety of self or others, jeopardizes the integrity of an investigation of alleged serious misconduct or criminal activity, or endangers institutional security. The terminology "administrative segregation" is not applicable to general population maximum custody or general population protective custody inmates housed in a segregation unit.
- c. **Counsel Substitute:** A staff member who did not actively participate in the process by which the inmate/detainee was brought before the Adjustment Hearings Officer. Counsel substitute is necessary when it is apparent that an inmate/detainee is not capable (i.e. mentally deficient, unable to read or write, deaf, blind, etc.) of collecting and presenting evidence effectively on his or her behalf. Pursuant to departmental policy COR.12.08, Counsel Substitute, Request and Selection.
- d. **Directives:** Departmental, facility, and residency unit policies, procedures, orders, memoranda, and other administrative directions for conduct and process. Directives are often informally called "rules."
- e. **Disciplinary Segregation:** Placement of an inmate/detainee in a designated segregation housing unit in a cell separated from the general population, after being found guilty of a misconduct violation and issued a sanction by the Adjustment Hearings Officer through a formal process. Disciplinary segregation includes the loss of certain privileges consistent with DCR policy and as authorized by the Warden or his designee.

- f. **Fighting:** A mutual affray, altercation, or physical struggle by two or more inmates/detainees. If the evidence shows that one inmate/detainee acted in self-defense throughout the whole incident, then this inmate/detainee is not guilty of fighting.
- g. **Minor Misconduct Adjustment (Informal Adjustment Process:** The resolution of minor infractions of a conduct rule or directive between the inmate/detainee and a staff member, other than the one who reports the infraction, through a process which enables appropriate sanctions for minor infractions and enables prompt and fair disposition of minor offenses.
- h. **Minor Rule or Directive Violation (Informal Hearings Officer):** A misconduct that poses no serious threat to safety, security, or welfare of the staff, other inmates/detainees, or the institution. Any violation of low moderate category (9) misconduct handled by the informal adjustment process shall be considered a minor violation.
- i. **Privileges:** A right, benefit, or permission granted by a Warden or his designee, such as visitation, personal phone calls, personal correspondence, access to commissary, community recreation, etc.
- j. **Security Threat Group (STG):** Two (2) or more individuals having the same identifying name, tattoo, common interest, or disruptive behavior, who engage in illegal activities, which poses a threat to the good government or security of the facility. Including but not limited to, gangs and disruptive/deviant groups or individuals.
- k. **Serious Misconduct:** A serious rule violation in the moderate or above category misconduct, which are considered to pose a serious threat to the safety, security or welfare of the staff, other inmates/detainees, or the institution, and subjects the inmate/detainee to the imposition of serious penalties such as segregation for longer than four (4) hours.
- l. **Serious Misconduct Adjustment (Formal Adjustment Hearings Officer):** A serious misconduct shall be addressed through the formal Adjustment Hearings Officer process. A serious misconduct is a charge that ranges from a greatest category (6) to moderate category (8) misconduct charge.

- .4 The adjustment process tailors sanctions for a specific rule violation or misconduct to the seriousness of the violation or misconduct, and the inmate's institutional adjustment and recommended program needs. The goal is to maintain facility order and ensure respect for the rules and the rights of others.
- .5 To ensure the integrity of the adjustment process and the constitutional right of due process, inmates/detainees charged with misconducts shall receive a hearing with the disposition finalized, inclusive of the signature and date of the Adjustment Hearings Officer, and entered within forty-five (45) days of the facility administration being notified of a misconduct violation committed by the inmate/detainee; except when an extended timeframe is authorized by the Director.
- .6 The forty-five (45) day time frame may be "stayed" or "tolled" if any inmate escapes, or leaves the facility due to a release or transfer to another facility. This includes, but shall not be limited to, movement to the Hawaii State Hospital, Court on another island, or contracted facility.
- .7 Any misconduct violation with a corresponding Hawaii Revised Statutes Criminal offense should be referred for the filing of a criminal complaint and prosecuted at the discretion of the relevant authority.
- .8 Misconduct Rule Violations and Sanctions

The following is a list of misconduct violations. Misconduct violations can be categorized as serious misconducts and/or minor violations.
